**A BILL**

To require consultations on reuniting Korean Americans with family members in North Korea.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Korean War Divided  
5 Families Reunification Act”.

6 **SEC. 2. CONSULTATIONS ON REUNITING KOREAN AMERI-**  
7 **CANS WITH FAMILY MEMBERS IN NORTH**  
8 **KOREA.**

9 (a) FINDINGS.—Congress makes the following find-  
10 ings:

1           (1) The division of the Korean Peninsula into  
2           South Korea and North Korea separated thousands  
3           of Koreans from family members.

4           (2) Since the signing of the Agreement Con-  
5           cerning a Military Armistice in Korea, signed at  
6           Panmunjom July 27, 1953 (commonly referred to as  
7           the “Korean War Armistice Agreement”), there has  
8           been little to no contact between Korean Americans  
9           and family members who remain in North Korea.

10          (3) North Korea and South Korea first agreed  
11          to reunions of divided families in 1985 and have  
12          since held 21 face-to-face reunions and multiple  
13          video link reunions.

14          (4) Those reunions have subsequently given ap-  
15          proximately 24,500 Koreans the opportunity to  
16          briefly reunite with loved ones.

17          (5) The most recent family reunions between  
18          North Korea and South Korea took place in August  
19          2018 and did not include any Korean Americans.

20          (6) The United States and North Korea do not  
21          maintain diplomatic relations and certain limitations  
22          exist on Korean Americans participating in face-to-  
23          face reunions.

1           (7) According to the most recent census, more  
2 than 1,700,000 people living in the United States  
3 are of Korean descent.

4           (8) The number of first generation Korean and  
5 Korean American family members divided from fam-  
6 ily members in North Korea is rapidly diminishing  
7 given the advanced age of those family members.  
8 More than 3,000 elderly South Koreans die each  
9 year without having been reunited with their family  
10 members.

11           (9) Many Korean Americans with family mem-  
12 bers in North Korea have not seen or communicated  
13 with those family members in more than 60 years.

14           (10) The inclusion of Korean American families  
15 in the reunion process, with the support of inter-  
16 national organizations with expertise in family trac-  
17 ing, would constitute a positive humanitarian ges-  
18 ture by the Government of North Korea.

19           (11) Section 1265 of the National Defense Au-  
20 thorization Act for Fiscal Year 2008 (Public Law  
21 110–181; 122 Stat. 407) required the President to  
22 submit to Congress a report on “efforts, if any, of  
23 the United States Government to facilitate family re-  
24 unions between United States citizens and their rel-  
25 atives in North Korea”.

1           (12) The position of Special Envoy on North  
2 Korean Human Rights Issues has been vacant since  
3 January 2017, although the President is required to  
4 appoint a Senate-confirmed Special Envoy to fill this  
5 position in accordance with section 107 of the North  
6 Korean Human Rights Act of 2004 (22 U.S.C.  
7 7817).

8           (13) In the report of the Committee on Appro-  
9 priations of the House of Representatives accom-  
10 panying H.R. 3081, 111th Congress (House Report  
11 111–187), the Committee urged “the Special Rep-  
12 resentative on North Korea Policy, as the senior of-  
13 ficial handling North Korea issues, to prioritize the  
14 issues involving Korean divided families and to, if  
15 necessary, appoint a coordinator for such families”.

16           (14) In the report of the Committee on Appro-  
17 priations of the House of Representatives accom-  
18 panying H.R. 133, 116th Congress (House Report  
19 116–444), the Committee urged “the Office of  
20 North Korean Human Rights, in consultation with  
21 Korean American community organizations, to iden-  
22 tify Korean Americans who wish to be reunited with  
23 their family in North Korea in anticipation of future  
24 reunions”.

25           (b) CONSULTATIONS.—

1           (1) CONSULTATIONS WITH SOUTH KOREA.—  
2           The Secretary of State, or a designee of the Sec-  
3           retary, should consult with officials of South Korea,  
4           as appropriate, on potential opportunities to reunite  
5           Korean American families with family members in  
6           North Korea from which such Korean American  
7           families were divided after the signing of the Korean  
8           War Armistice Agreement, including potential oppor-  
9           tunities for video reunions for Korean Americans  
10          with such family members.

11          (2) CONSULTATIONS WITH KOREAN AMERI-  
12          CANS.—The Special Envoy on North Korean Human  
13          Rights Issues of the Department of State should  
14          regularly consult with representatives of Korean  
15          Americans who have family members in North  
16          Korea with respect to efforts to reunite families di-  
17          vided after the signing of the Korean War Armistice  
18          Agreement, including potential opportunities for  
19          video reunions for Korean Americans with such fam-  
20          ily members.

21          (3) NO ADDITIONAL AUTHORIZATION OF AP-  
22          PROPRIATIONS.—No additional amounts are author-  
23          ized to be appropriated to the Department of State  
24          to carry out consultations under this subsection.

1           (c) ADDITIONAL MATTER IN REPORT.—The Sec-  
2 retary of State, acting through the Special Envoy on  
3 North Korean Human Rights Issues, shall include in each  
4 report required under section 107(d) of the North Korean  
5 Human Rights Act of 2004 (22 U.S.C. 7817(d)), a de-  
6 scription of the consultations described in subsection (b)  
7 conducted during the year preceding the submission of  
8 each report required under such section 107(d).
